Library Days

Tuesday- 4F, 4P, 4N

Thursday- 3M, 4AV

Friday - 3F

Please provide a library bag for your child to use when borrowing each week. Students may also like to borrow books at home via the library e-platform

<https://hassallgroveps.eplatform.co/>.

Attendance

It is important that your child arrives at school on time each morning. It is a legal requirement that all student absences are explained within 7 days. Please send a note to the class teacher if your child is absent from school. Students who are away for 3 or more days require a medical certificate.

Student Equipment

Thank you to the families who have already provided their children with the resources on the equipment list sent home at the end of last year. Stage 2 students are required to bring their own stationery items to school each day in a pencil case. Please ensure your child brings lead pencils, a rubber, sharpener, ruler, scissors, glue stick, highlighter and whiteboard marker to school each day. All items must be clearly labelled with student names.

Uniform

Every student should come to school in their full school uniform each day, including black shoes. Hats are essential for recess, lunch and sport lessons. If you have any enquiries about the uniform, please contact the uniform shop.

Birthdays

We look forward to celebrating your child's birthday with them at school. If you would like to send a treat for your child to share with the class on their special day, we ask that this be in the form of cupcakes, donuts, or lolly bags rather than a whole cake.

Communication

We would like you to be as involved in your child's school life as much as possible. If at any time you are unsure about anything, don't hesitate to ask. Any questions or queries can be sent via the school email hassallgro-p.school@det.nsw.edu.au. If you would like to speak with your child's teacher, please contact the school office.

Teachers will aim to return phone calls outside teaching hours (before 9am or after 3pm). School notes will be sent via email. Please ensure you visit our school website regularly. Our school Facebook page is a great source of up-to-date information about the school.

Once again, welcome to Stage 2 2023. We look forward to a positive, productive and enjoyable year!
