

Clear the Board

3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18

How to play:

- Play in groups of 3 or 4
- Each player chooses one colour and puts 6 counters where they like on the board
- Players take turns to throw three dice and find the total
- All players can remove a counter from the board if they have covered a number of the total of the 3 dice
- The first player to clear his/her counters from the board is the winner
