## SCHOOL FEES

Dear Parents,

Hassall Grove Public School relies heavily on the voluntary contributions we receive from our families.

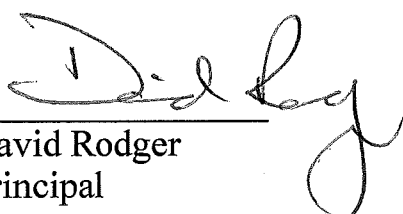

The school will now be collecting your school fees at the front office. The money raised will help to provide valuable resources in Teaching and Learning, Technology, Sport and other Key Learning Areas.

Our 2017 Contributions are \$35 for the first child and \$50 for a family with more than one student attending Hassall Grove Public School. Money is to be placed in the envelope supplied and returned to the front office.

***When paying your contributions or money for excursions at the front office, please put all money for the same family in the one envelope as this helps with receipting. Place all student's names on the front of the envelope and the activity you are paying for.***

Hassall Grove Public School wishes to thank you for supporting your child's education.

Yours faithfully,
