

Name: _____

When people are prejudiced, they judge, or form an opinion about, a person before even knowing him or her. It's unfair, hurtful, and disrespectful to form opinions about people without getting to know them.

With the help of an adult family member, you're going to get to know an adult better. Have your adult select an adult friend or relative you don't know very well. Tick off all the characteristics you think apply to that person in Column 1. Tick off all the characteristics that apply to you in Column 2. Then compare the columns and see if you ticked the same things in both. With your adult, think of questions you can ask the friend or relative that might help you get to know him or her better.
